BLAKELY PARK  
SWIMMING POOL  
ACCEPTED

Mayor Hughes opened the meeting to explain that the meeting was called for the purpose of considering the final acceptance of the swimming pool constructed in John Blakely Park. He explained that the pertinent law provides that a Notice of Completion should be adopted and filed by the City Council within ten days of the completion of the project. The City Clerk read a letter from John E. Lloyd, architect for the City, stating that the pool had been given a final inspection on July 17, 1957, and found to be in 100 per cent completed condition. The City Attorney explained the reason for the filing of a Notice of Completion. Councilman Katzakian moved, Fuller second, that the pool be accepted as complete and instructed the City Manager to file the Notice of Completion. The motion passed by unanimous vote.

The meeting was adjourned at 7:15 p.m. on the motion of Councilman Katzakian.
